To whom it may concern,

We have worked with Damon Segal and the team at Emotio for over 4 years. During this time we have developed a fruitful relationship. We highly enjoy working with their enthusiastic and friendly team.

They have worked on various projects including design work, web development and online marketing. We have found their service to be of a high standard, and they have delivered cost-effective measureable results.

Emotio have been working on our SEO for the past 4 months. Within this period we have already seen results on many of our keywords. We are also optimistic about the longer-term results.

I am happy to discuss our work with Emotio and can be contacted on [m@laser cosmetic.co.uk](mailto:m@laser cosmetic.co.uk) or 07957 532 258.

Yours faithfully,
